

Abiding Life CONFERENCE

with Michael Wells

What is learned in defeat that cannot be learned in victory?

Why should a Christian always pray to be weaker?

Why am I still controlled by sin?

Why are so many people unbelieving?

How do I understand my mate and those around me?

Why does a Christian need a doctrine of suffering?

What does it mean that Christ dwells in me?

What is emotional divorce?

Why have all the methods I've tried to become spiritual failed?

Why do Christians need to be offended until they cannot be offended?

Learn what it means to work from and not for the Christian life.
