Tim has a vision to disciple believers and seekers alike in experiencing freedom and abundant life. He has spent 20 years ministering in the local church and has obtained a B.A. in Preaching, an M.A. in Counseling, and is a PhD candidate in Psychology. Tim has invested several thousand hours of Christ-centered discipleship with the broken, the discouraged, the unfaithful, the depressed, and defeated leaders in the local Body. He has also trained many believers to successfully disciple hurting people in their own communities. Tim lives with his wife Karen in Hagerstown, Maryland where the ALMI Counseling Center is now based. Karen assists in advanced training when available.

“Living the Abiding Life”

Abiding Life Ministries International

The seeds for ALMI were planted in the heart and mind of Michael Wells over 25 years ago. As Christ led him, the passion for pointing the

Christ desires a moment-by-moment relationship with us.

believer to discover “there is nothing the nearness of Christ will not heal” became our focus. We

desire to see people focus on Christ and understanding all He has already done for them. We do not present a one-time fix; it is our conviction that Christ desires a moment-by-moment relationship with us. In the moment of an abiding relationship, we share in all of Christ's victory, all of His power, and all of His work.

ALMI Personalizing Seminar

Our goal with this conference is to help participants to discover, understand, and apply the principles of abiding in Christ to themselves. This is the “life to the full” Christ talks about in John 10:10.

Come prepared to take a candid look at your life and how it works....or doesn't! Follow along with our presenter on a specially prepared brochure to help you grab hold of these principles and understand them in the context of your own life experience. We will look at three very important questions:

Why do I act the way I do?

How can I stop without effort?

How can I stay on track?
