“Living the Abiding Life”

Abiding Life Ministries International

The seeds for ALMI were planted in the heart and mind of Michael Wells over 25 years ago. As Christ fleshed out this passion in him, ALMI

Christ desires a moment-by-moment relationship with us.

was established and along the way many expressed a desire to work WITH us in this ministry. We are

missionaries to Christians and desire to see them focused on Christ and understanding all He has already done for them. We do not present a one-time fix; it is our conviction that Christ desires a moment-by-moment relationship with us. In the moment of an abiding relationship, we share in all of Christ's victory, all of His power, and all of His work.

ALMI Advanced Discipleship Training

Our first goal with this conference is first to help participants to discover, understand, and apply the principles of abiding in Christ to themselves. This is the “life to the full” Christ talks about in John 10:10. As Christ works these truths into ones life it seems only natural to desire to share this life and these principles with others.

Our second and primary goal then is to provide the training necessary for those who have a heart to work one-on-one with individuals. If you believe that God may be leading you to a ministry of discipleship with those who are struggling and looking for Christ-centered solutions, consider investing in this three part training held over the next few months .

Tim will train you in how to specifically work with individuals using three questions.

Why do I act the way I do?

How can I stop without effort?

How can I stay on track?
