Series 9: Simple Foundations 20.00

The Christian life is simply described in Gen. 5:24, which says, *Enoch walked with God; and he was not, for God took him.* How do we walk with God? Lose our image and have the assurance that God accepts us. (3 CD's)

Series 10: Keeping the Focus 25.00

Often suffering keeps our eyes off of Christ; therefore, a doctrine of suffering and seeing God in it is essential. There are things learned in suffering that cannot be learned in comfort. Suffering is permitted by God for the purpose of keeping our eyes on Christ. (6 CD's)

Series 11: Death of Religion 20.00

The wise men did not worship the clothing the baby Jesus was wearing. At Pentecost the Holy Spirit came in clothing such as tongues of fire that were not to be worshipped, either. Pentecost killed religion as man had known it for thousands of years. See how Christianity differs from all other religions. (4 CD's)

Series 12: Abiding Life in a Capsule 15.00

The abiding message is difficult; it is not an introduction to a doctrine, but to the person of Christ. This series condenses all the Abiding Life teaching and is great for introducing the message. (2 CD's)

Series 13: Recognizing God 25.00

This latest CD series, by Michael Wells, looks at a variety of topics where recognizing God is crucial. Included in the series: Recognizing God in Suffering, Recognizing God in Our Daily Lives, Recognizing the Holy Spirit, and Recognizing God in the Lord's Supper. (5 CD's)

Series 14: Time & Eternity 20.00

NEW CD Series!!

Why does God permit what He could prevent? Why has God allowed "good" people to suffer? Why does the world appear to be in chaos? Follow along and you will find a divine purpose in all of your suffering. (4 CD's)
